Triple P – Positive Parenting Program Training Opportunity

As part of its mission to help ensure that Maine children and families are safe, stable, happy, and healthy, the Office of Child and Family Services seeks to increase the availability of high-quality, evidence-based behavioral health treatment for children and families. OCFS is pleased to provide the opportunity for eligible behavioral health providers in Maine to receive training in Triple P Standard, Triple P Standard Teen, Triple P Pathways and Triple P Group beginning January 10, 2023. This opportunity is available to Bachelor's and Master's level behavioral health practitioners who serve youth (up to age 16) in Maine. Preference will be given to Master's level behavioral health clinicians licensed in the State of Maine as well as practitioners working in treatment foster care agencies. The training will be offered statewide and at **no cost** to participants. Participants will be eligible for reimbursement for their time in training and will receive one (1) year of materials in all Triple P interventions upon accreditation.

In order to participate and receive the training at no cost, participants will be expected to reach accreditation in all Triple P interventions: Standard, Standard Teen, Pathways and Group.

The following addresses application requirements and training expectations.

Please note that a completed application is NOT a guarantee of participation or registration for the training. There are a limited number of training spots available and OCFS will offer spots to qualified applicants based on multiple factors including geographic location, access to Triple P training through the clinician's agency, and other considerations.

Applications must be completed in full. Incomplete applications will not be accepted. Applications will be accepted through **Wednesday, January 4, 2023** and applicants will be notified via email if they are offered a training spot.

Applications must be received by 5:00 pm on Wednesday, January 4, 2023

Requirements

- Participants must be willing and able to actively participate in eight (8) days of Triple P Standard/Standard Teen/Pathways/Group training, a pre-accreditation workshop, and three accreditation days. There will not be an opportunity to reschedule or make up missed days.
- Must have experience working with youth and families.
- May provide services in outpatient, home- and community-based treatment, school-based, residential and/or inpatient settings.
- Because Triple P is a parent training model, participants must be able and willing to actively involve parents and caregivers in sessions. For example, practitioners working in schools or other settings who are not able to meet with or work directly with parents/caregivers would not be able to utilize Triple P with fidelity to the model.

- Participants must complete a State of Maine Substitute W-9 & Vendor Authorization Form and submit to OCFS for reimbursement of time spent in training. The vendor form will be supplied to accepted applicants.
- Because the training will be held virtually, **participants must provide a physical address to receive Triple P materials** prior to the training start date (can be home or work address).

Financial Reimbursements

- Participants will be reimbursed for their time participating in the Triple P Standard, Standard Teen, Pathways and Group training, pre-accreditation and accreditation at a rate of \$25.00/hour up to a maximum of \$1,831.25.
- In order to be reimbursed, participants must submit a completed State of Maine Substitute W-9 & Vendor Authorization Form for the state vendor remittal system. The form will be sent to accepted training participants with submission instructions.
- Reimbursements will be made up to three (3) times during the training program: (1) Following completion of Triple P Standard/Standard Teen Training, (2) Following completion of Triple P Pathways Training and (3) Following the completion of Triple P Group. Instructions will be sent to all participants when invoices can be submitted.
- Participants must attend all training, pre-accreditation, and accreditation days to be eligible for reimbursement. Partial attendance will not be reimbursed.

Training Format

1. **Triple P Standard and Standard Teen Training:** Four (4) day online/virtual training facilitated over Zoom. Each day will be 7.5 hours.

Standard/Standard Teen Training Dates:

January 10-13, 2023: 8 AM start, with the first day starting fifteen (15) minutes early

2. **Triple P Standard and Standard Teen Pre-Accreditation Workshop:** Following completion of Standard and Standard Teen training, participants will participate in a one (1) day pre-accreditation workshop with the trainers.

Standard/Standard Teen Pre-Accreditation Date:

February 6, 2023

3. **Triple P Standard and Standard Teen Accreditation:** Following completion of pre-accreditation workshop, participants will participate in one (1) day of accreditation. Participants will be divided into cohorts by the trainers.

Standard/Standard Teen Accreditation Dates:

February 16-17, 2023

4. **Triple P Pathways Training:** Two (2) day online/virtual training facilitated over Zoom. Each day will be 7.5 hours.

Pathways Training Dates:

March 13-14, 2023: 8 AM start, with the first day starting fifteen (15) minutes early

5. **Triple P Pathways Accreditation:** Following completion of Triple P Pathways Training, participants will participate in one-half (1/2) day accreditation. Participants will be divided into cohorts by the trainers.

Pathways Accreditation Dates:

April 3-4, 2023

6. **Triple P Group Training:** Two (2) day online/virtual training facilitated over Zoom. Each day will be 7.5 hours.

Group Training Dates:

May 8-9, 2023: 8 AM start, with the first day starting fifteen (15) minutes early

7. **Triple P Group Accreditation:** Following completion of Triple P Pathways Training, participants will participate in one-half (1/2) day accreditation. Participants will be divided into cohorts by the trainers.

Group Accreditation Dates:

June 5, 2023
